Fully Battery

The Truck is solely battery-powered and contains fully interchangeable lithium-ion batteries for full flexibility.

Built Tough

The Truck can take on any terrain and keep going, thanks to its durable design and all-terrain wheels - It's built to last.

Round the Clock

The Truck has a range of up to 7 miles and a long runtime of 3.5 hours of gum removal.

Completely Silent

The Truck is completely silent when in operation, so it can be used at all times of the day or night with limited disruption.

User-Friendly

The Truck's controls are simple, so anyone can use it without a steep learning curve or lengthy training courses.

Eco-Friendly

The Truck uses a natural, pH neutral detergent which is scientifically formulated to remove all types of chewing gum from any surface.
